My earlier memos indicate Thornley had a thing on a small, pretty, intelligent Latin waitress at Carlos Castillo's.

My recent checking in N.O. indicates she was most recently at the Alpine, the address of which is, I am told, 3500 Toulouse.

I am also told she didn't like Carlos. I cannot imagine any enduring affection for Thornley, if one ever existed.

Had I had time, I intended interviewing her. I couldn't.
